Attention:

The correspondence from your company containing expansive clarification and request is confirmed as received. Firstly, it is a welcomed development and approach to visit our office regarding your purchase order and we would be looking forward to meeting your company representatives. However, for access cards to be obtained and activated the outstanding demurrage fee MUST be pre settled; without the receipt of the outstanding demurrage seventy two hours pre to your intended visit on August 22/23, 2019, we would not be able to obtain the required Talon to activate the issuance of the access cards. Therefore, we advise that you quickly do the needful.

Meanwhile, be confirmed that we WHOLLY and IRREVOCABLY Guarantees and assures that the payment for the demurrage is the last payment that would be required of your company regarding your purchase order. This guarantee shall be valid until the product is successfully delivered to your designated discharge port. This letter has been submitted and duly Notarised by the City Court of Moscow, Russian Federation; as our refinery is legally obligated to comply to the Guarantee made to your company.
